The peculiarly named bladder cherry is built with a LEGO® element that is usually used as vegetables, (like pumpkins or lanterns) and a flexible brown whip element.

L'alkékenge est construite à partir d'un élément LEGO® habituellement utilisé pour les légumes (comme les citrouilles) ou les lanternes et d'un élément flexible brun de type fouet.

Con un nombre muy peculiar, las linternas japonesas se construyen uniendo un elemento LEGO® habitualmente utilizado para representar verduras (principalmente, calabazas) y un látigo flexible de color café.

The dried daisy heads are constructed with a white crown element and a rare rock element first used as a gold nugget.

Les têtes de marguerites séchées sont construites avec un élément de couronne blanche et un élément de roche rare utilisé pour la première fois comme pépite d'or.

Las margaritas disecadas están hechas a partir de un elemento que representa una corona y una inusual pieza que se usó originalmente para representar una pepita de oro.

Dried flowers are sometimes preserved using a thin wax. The shiny elements in this set were chosen to replicate that wax look.

Les fleurs séchées sont parfois conservées à l'aide d'une fine cire. Les éléments brillants de cet ensemble ont été choisis pour reproduire cet aspect de cire.

Es común que se use una delgada capa de cera para preservar las flores disecadas. Los elementos brillantes de este set fueron elegidos con el fin de replicar el aspecto encerado.
