Évoluer avec son temps

Avec chaque nouvelle génération de voitures, Chevrolet Corvette redéfinit le design automobile américain depuis plus de 70 ans. Les nombreux modèles exclusifs, les éditions spéciales et les voitures de course personnalisées contribuent également à faire perdurer la légende. Celle-ci reste fidèle à ses qualités d'origine qui font d'elle une voiture de sport classique, intemporelle, robuste et sûre. L'album de famille de la Corvette, qui inclut les prototypes du début des années 1950 et les modèles modernes d'innovation et d'excellence technique de la génération C8, ravive des souvenirs, éveille notre imagination et attise notre curiosité.

Avec chaque nouvelle génération de voitures, Chevrolet Corvette

Le mot de l'équipe de design

et courbes emblématiques que les passionnés de Corvette apprécient tant. C'est la raison pour laquelle il regorge de détails de conception originaux reproduits fidèlement. Si vous avez l'habitude de construire des voitures classiques et anciennes de la gamme LEGO® Icons, vous remarquerez peut-être la structure unique du châssis de cette Corvette C1 de 1961. Pour reproduire les lignes épurées de la voiture d'origine, nous avons installé les barres de direction sous le châssis, ce qui nous a permis de recréer la silhouette élancée de la voiture. Vous n'avez qu'à suivre la carte pour découvrir les techniques et les éléments du modèle au fur et à mesure de la construction.

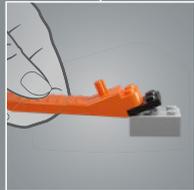

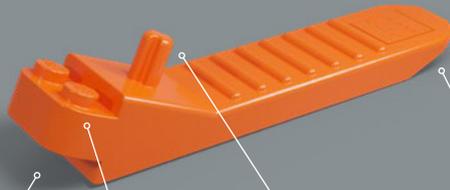

« Pour ce modèle, notre objectif était de capturer les lignes

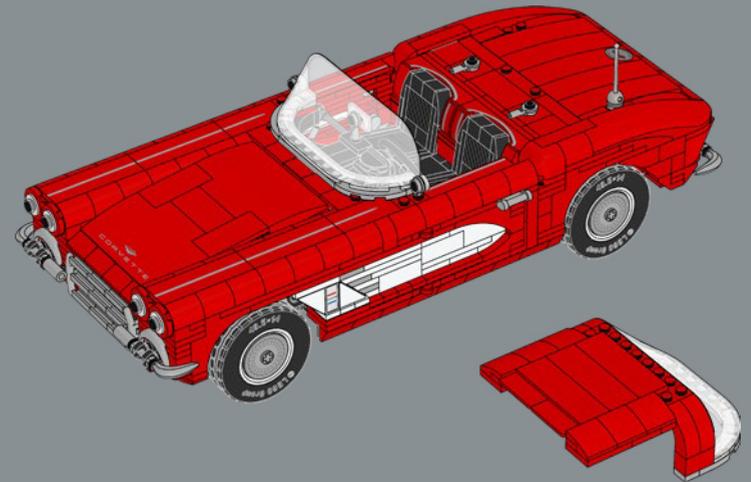

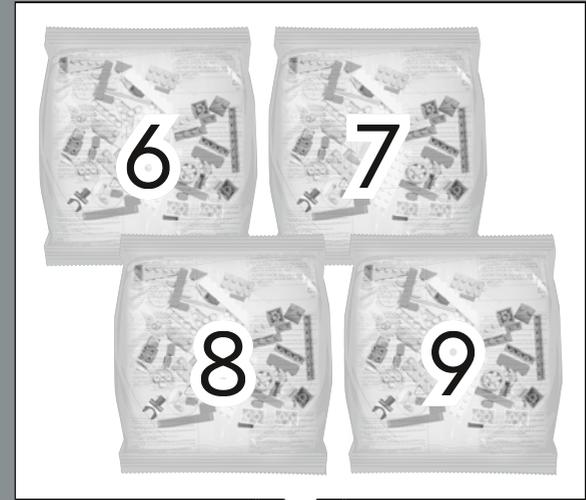

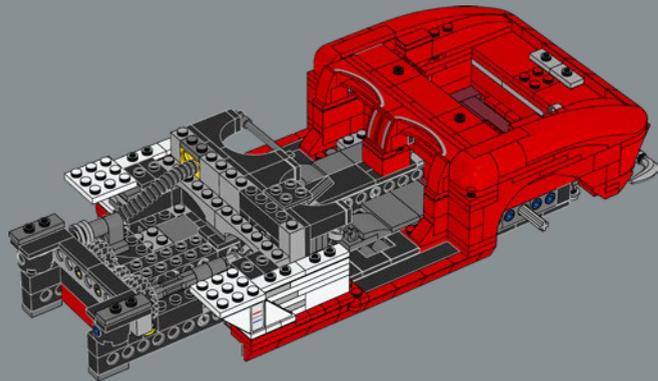

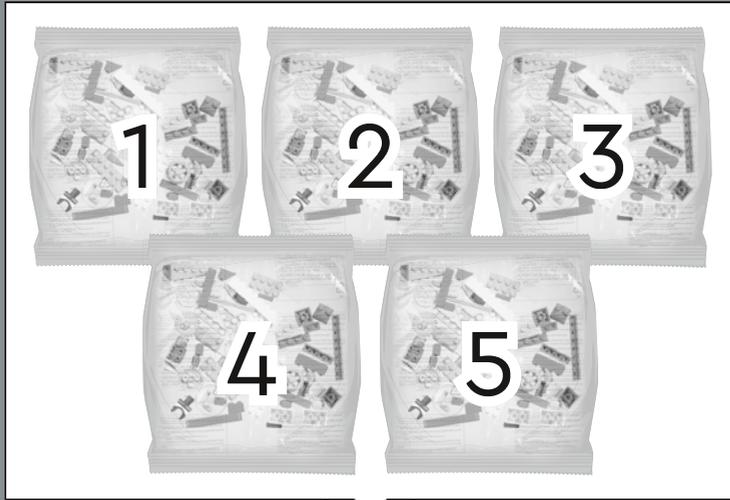

Bonne route !

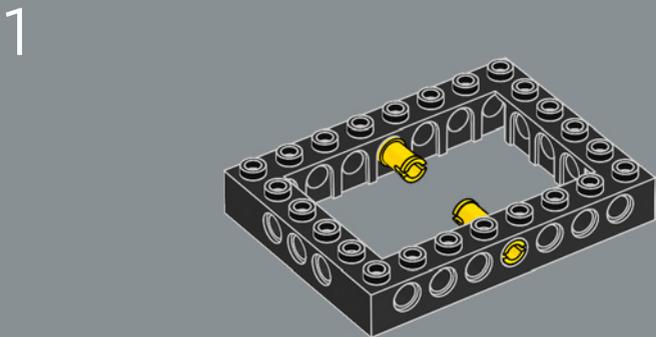

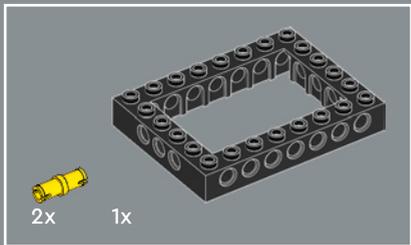

ROK ŽGALIN KOBE
